

EXECUTIVE CYBER RISK ADVISORY

INTRUVENT
Technologies

BRIDGING THE SECURITY GAP

www.intruvent.com

The Challenge: Executive Cyber Expertise

Today's executives must make critical security decisions without understanding complex technical metrics, creating dangerous blind spots that sophisticated attackers exploit.

The Solution: Intruvent's Executive Cyber Risk Advisory

Intruvent's Executive Cyber Risk Advisory translates complex cybersecurity metrics into business language executives can understand and act upon. Drawing on 25+ years of DOD-level threat response experience, we provide strategic guidance that enables leadership teams to make informed decisions about cyber risk.

Comprehensive Service Components

Executive Risk Dashboard

- Custom-built visualization
- Business unit risk scoring
- Trend analysis and benchmarking
